

Solomon Islands - SB

Central Province - get the first digit and search the equivalence										
1 = -9,158	2 = -9,159	3 = -9,160	4 = -8,158	5 = -8,159	6 = -8,160					
Choiseul - get the first digit and search the equivalence										
1 = -7,156	2 = -7,157	3 = -6,156	4 = -6,157							
Guadalcanal - get the first digit and search the equivalence										
1 = -9,159	2 = -9,160									
Honiara - get the first digit and search the equivalence										
1 = -9,159	2 = -9,160									
Isabel - get the first digit and search the equivalence										
1 = -8,157	2 = -8,158	3 = -8,159	4 = -7,157	5 = -7,158	6 = -7,159					
Makira - get the first digit and search the equivalence										
1 = -10,161	2 = -10,162	3 = -9,161	4 = -9,162							
Malaita - get the first 2 digits and search their equivalence										
01 = -9,159	02 = -9,160	03 = -9,161	04 = -9,162	05 = -8,159	06 = -8,160	07 = -8,161	08 = -8,162	09 = -7,159	10 = -7,160	11 = -7,161
12 = -7,162	13 = -6,159	14 = -6,160	15 = -6,161	16 = -6,162	17 = -5,159	18 = -5,160	19 = -5,161	20 = -5,162		
Rennell and Bellona - get the first digit and search the equivalence										
1 = -11,159	2 = -11,160									
Temotu - get the first 2 digits and search their equivalence										
01 = -12,165	02 = -12,166	03 = -12,167	04 = -12,168	05 = -11,165	06 = -11,166	07 = -11,167	08 = -11,168	09 = -10,165	10 = -10,166	11 = -10,167
12 = -10,168	13 = -9,165	14 = -9,166	15 = -9,167	16 = -9,168						
Western Province - get the first 2 digits and search their equivalence										
01 = -8,155	02 = -8,156	03 = -8,157	04 = -8,158	05 = -7,155	06 = -7,156	07 = -7,157	08 = -7,158	09 = -6,155	10 = -6,156	11 = -6,157
12 = -6,158
